

# ST. TERESA SCHOOL

— SEC-3, GRENO WEST —

“Tell me and I forget , teach me and I may remember , involve me and I learn “ - **Benjamin Franklin**

## **Greetings !**

Dear Parent,

We wish you and your child a very happy summer holidays . It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for their holistic development.

### **General Instructions that are to be followed:**

- Download the holiday homework pages and complete the task.
- Handwriting should be neat and legible.
- All the subject holiday homework should be done in respective subject notebooks.
- The holiday homework would be graded.
- The work should be original and not copied from internet.
- The assignments should be submitted to the respective subject teachers.
- Surprise recapitulation will be done by the teachers in the month of July.
- Encourage your ward to do the assigned holiday homework independently.

### **Summer Tips to be followed:**

- “A healthy mind resides in a healthy body”- Pay attention to your health, go for morning and evening walks, drink lots of water, avoid the consumption of junk food, eat healthy and stay healthy.
- Open your mind for reading newspapers, novels, blogs and stories that will help you in increasing your vocabulary.
- Indulge yourself into activities like cooking, singing, dancing, aerobics, cycling, trekking, swimming, art and craft, river rafting and gardening. And share your experience with your family and friends.
- Spend quality time with your grandparents and parents, talk to them regarding their experience of school.

## SCIENCE – DO the given work in your science notebook.

1. Watch any 3 chemical and 3 physical reaction around you and write it in your notebook.
2. Experiment with plants. Grow a plant by any one means  
Potato bud, onion bulb, aloe vera leaves, or cutting of a stem. Write your observation with diagram.
4. Make any **project** with magnet showing any of it's property.
5. Show any property of light with experiment and write it with diagram.
6. Little Rishi (student of class VI) was watching his favorite cartoon serial on television. Suddenly he got hiccups. His elder brother Shubham who was sitting nearby gave him a glass of water and suggested not to eat too fast in a hurry. Little Rishi got confused as he had heard that 'hichki' comes when someone remembers. He asked his father. His father smiled and explained to him that it is only a myth. He also explained him the proper scientific reason behind it
  - (a) What is hiccup?
  - (b) Why do we get hiccup?
  - (c) What are the values shown by Rishi? [Value Based Question]
7. Define oral rehydration solution and when it is given to the patient? How can you prepare ORS at home?
