

ST. TERESA SCHOOL

SEC-3, GRENO WEST

Class 6th

“Tell me and I forget , teach me and I may remember , involve me and I learn “ - **Benjamin Franklin**

Greetings !

Dear Parent,

We wish you and your child a very happy summer holidays . It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for their holistic development.

General Instructions that are to be followed:

- Download the holiday homework pages and complete the task.
- Handwriting should be neat and legible.
- All the subject holiday homework should be done in respective subject notebooks.
- The holiday homework would be graded.
- The work should be original and not copied from internet.
- The assignments should be submitted to the respective subject teachers.
- Surprise recapitulation will be done by the teachers in the month of July.
- Encourage your ward to do the assigned holiday homework independently.

Summer Tips to be followed:

- “A healthy mind resides in a healthy body” - Pay attention to your health, go for morning and evening walks, drink lots of water, avoid the consumption of junk food, eat healthy and stay healthy.
- Open your mind for reading newspapers, novels, blogs and stories that will help you in increasing your vocabulary.
- Indulge yourself into activities like cooking, singing, dancing, aerobics, cycling, trekking, swimming, art and craft, river rafting and gardening. And share your experience with your family and friends.
- Spend quality time with your grandparents and parents, talk to them regarding their experience of school.

English

1. Creative task

- a. Design a bookmark with an inspirational quote.
- b. Make a diary or journal of your daily activities during holidays (5-6 lines per day, add drawings/ pictures) .

Mathematics

FLAG: A Nation's Identity

1. We know that every nation is represented by its flag. It symbolizes its culture, values and beliefs. So let us study about flags of some countries and find out the mathematical quotient hidden. Prepare a scrap file by pasting pictures of flags of the given countries and writing the significance of the colours used in them. Also write the dimensions of each flag. The countries to be studied are as follows:

India, Sri Lanka, Singapore, Hong Kong, Japan, Finland, Switzerland, Netherlands and Canada (Use two sheets for one nation for the follow up activity to be done in class afterwards.)

2. Make different Polygons using match sticks in A4 colour sheet

3. Make different shapes with the help of coloured sheet and paste it a chart paper

4. Make number system tree in chart paper

SST

1. Show diversity of India through - food, textile and festivals through Maps.(show only one feature, like food, on one Indian map)

2. Show landforms - mountains, Plateau and grasslands through maps. (note down all important landforms on world maps. one world map for only one landform like mountains)

3. Do any one :

- a. make a comic book on panchayati Raj.
- b. Wall hanging solar system.
- C. Model on Harappan civilization.(Show all the features like seals, house, tools, wells using clay and cardboard)

Hindi
